Active Shooter Symposium Critical Incident Debriefings

Enhancing Response to Active Violence: Lessons Learned for a Safer Tomorrow

Join us for this one-day debrief focused symposium dedicated to strengthening emergency response to active violence. This exclusive event features four in-depth debriefs of past tragedies from the lead public safety agencies directly involved. Gain unparalleled insights and practical knowledge to better prepare for and respond to such critical incidents.

Target Audience:

- Law Enforcement
- Fire Departments
- Emergency Medical Services
- Corporate Security
- Hospital Administrators and Providers
- Emergency Management Personnel
- Elected Officials
- School Administrators

Key Highlights:

- **Exclusive Debriefs:** Firsthand accounts from lead public safety agencies.
- **Four In-depth Sessions:** After-action lessons from real incidents.
- **Vendor Exhibition:** Companies will display life-saving products and gear.
- **Networking Opportunity:** Connect with fellow professionals and experts.
- **Lunch Included:** Box lunches & refreshments.
