ACTIVE SHOOTER RESPONSE TACTICAL TEAMS

TUITION FREE TRAINING

Duration: 2 Days (16 hours)

Approved for 16 Hours of CPT

This program equips tactical teams to effectively manage active threat incidents through evidence-based tactics, lawful use of force, and de-escalation techniques. Training emphasizes stress psychology, decision-making, and interagency collaboration, culminating in realistic, scenario-based exercises that reinforce readiness, sharpen judgment, and build lifesaving capabilities under the pressures of extreme conditions.
