OHIO TACTICAL
OFFICERS ASSOCIATION

SWAT COMMANDER

Duration: 4 Days (32 hours) • Cost: $575

Submitted for CPT Hours: Coming soon

This course prepares current and future SWAT Commanders on the commander's responsibility to build, lead, support, and evaluate a professional tactical program—before, during, and after critical incidents. The course emphasizes the relationship between the Commander and Team Leader, developing leaders who can establish clear intent, evaluate tactical plans, ask the right questions, allocate appropriate resources, and provide effective oversight.
