OHIO TACTICAL
OFFICERS ASSOCIATION

Duration: 2 Days (16 Hours) • Cost: $500

Submitted for CPT Hours: Coming soon

This Train-the-Trainer course prepares officers to instruct others in the effective use of red dot sights on duty pistols. Through classroom and live-fire training, participants learn fundamentals, advanced applications, optic limitations, and instructional techniques. Coaching and teach-backs ensure officers return ready to train their own agencies with confidence.
